

September 2021

To whom it may concern:

This letter was created to inform you that \_\_\_\_\_ believes the Biblical doctrine held at our church regarding vaccinations and immunizations. It is our position that no Christian should receive any vaccinations.

**1. It is a well-established fact that most vaccines are cultured from aborted fetuses**

As Christians, we believe that life begins at conception and that a “fetus” is a child. Isaiah 7:14 is quoted in Matthew 1:23 with the word “conceive” being substituted for “being with child” showing that the Bible is using those terms synonymously. A woman who has conceived seed is considered “with child”, so an aborted pregnancy is the murder of a child.

Vaccines Created from aborted babies:

The MRC-5 cell line was developed in September 1966 from lung tissue taken from a 14-week fetus aborted for psychiatric reasons from a 27 year old physically healthy woman. MRC-5 is a known source of human DNA in vaccines.

The WI-38 human diploid cell line was derived by L. Hayflick from the lung tissue of a 3-month-old aborted human female fetus.

The rubella vaccine currently used in the U.S. and in most countries was developed after an American researcher at the Wistar Institute cultured rubella virus from a fetus aborted because the mother was infected with rubella. This vaccine is called RA 27/3 because the rubella virus was isolated from the 27th aborted fetus sent to the Wistar Institute in the 1964 rubella outbreak.

**2. The Bible considers a person handling a dead body to be unclean (Numbers 19:11)**

Job 14:4 Who can bring a clean thing out of an unclean? not one.

Whether the cultures for the vaccines are derived from aborted fetal tissue or from an animal, the source is still considered unclean. In addition to the culture being derived from an unclean source, there are adjuvants added to the vaccines which are also harmful to the body such as aluminum, formaldehyde and mercury. Directly injecting these substances into the body is a violation of scripture. Our bodies are supposed to be treated as the temple of the Holy Ghost

1Corinthians 6:19 What? know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own?

1Corinthians 6:20 For ye are bought with a price: therefore glorify God in your body, and in your spirit, which are God's.

**3. God created human beings and designed complicated immune systems to help protect us against disease. Jesus taught that people who are not sick do not need a physician.**

Matthew 9:12 But when Jesus heard that, he said unto them, They that be whole need not a physician, but they that are sick.

Sincerely,

Pastor David Berzins
